**SUPPLEMENTARY INFORMATION:**

On September 12, 2014, FHFA published in the Federal Register a notice of proposed rulemaking and request for comments proposing to revise its regulations governing Bank membership, located at 12 CFR part 1263. *See* 79 FR 54847 (Sept. 12, 2014). Primarily, the proposed rule would revise part 1263 to: (1) require each Bank

member institution and each applicant for Bank membership to hold one percent of its assets in “home mortgage loans” (as that term is defined in proposed part 1263) in order to satisfy the statutory requirement that an institution make long-term home mortgage loans to be eligible for membership; (2) require each member to comply on an ongoing basis, rather than only at the time of application as at present, with the foregoing requirement and, where applicable, with the requirement that it have at least 10 percent of its assets in “residential mortgage loans” (as defined in proposed part 1263); (3) define the term “insurance company” to exclude captive insurers from Bank membership, but permit existing captive members to remain members for five years with certain restrictions on their ability to obtain advances; (4) require a Bank to obtain and review an insurance company’s audited financial statements when considering it for membership; and (5) clarify the standards by which an insurance company’s “principal place of business” is to be identified in determining the appropriate Bank district for membership.

The comment period for the proposed rule was originally set to expire on November 12, 2014. However, FHFA has received numerous requests from the Banks and from other interested parties for additional time to review the rule and provide comments. In response to these requests, FHFA is extending the comment period by an additional 60 days. This will result in a total comment period of 120 days, which will expire on January 12, 2015.
